All Randall Brothers Customers,

First and foremost, we want to let you know that **WE ARE OPEN FOR BUSINESS!** With many of our service areas being issued "Stay at Home" orders, we want to reassure you that our company is considered an essential business and will remain open. Also, we want to thank you for working with us through the COVID-19 crisis.

Our top priority during this time is the health and safety of our customers and employees. In an effort to adapt to the recent challenges of operating safely amid the changing Covid-19 environment, beginning Friday, March 27, 2020, we will be temporarily changing our business hours. Our store branch will be open M-F from 7:00 AM – 3:00 PM and closed on Saturday & Sunday. Additionally, we will be closing our showroom and restricting access to Randall Brother's personnel only. This is in an effort to stay in compliance with the CDC in maintaining a safe social distance for you our customer, and our employees.

We will still allow order processing and customer pickups at our store locations at designated areas. All delivery services will also continue as normal.

In order to ensure order processing in a timely manner, please contact your salesperson for any order you may need filled ahead of time. If you do not have a salesperson, please contact us for more information on how to process an order.

We ask that you please help us to help you during this most difficult time and work with us and our associates with maintaining a safe social distance at our store branches as well as at your jobsites.
