The BEAUTY of CHOICE.

You're in expert hands with Therma-Tru, the most preferred brand of entry doors. Year after year, building professionals rank Therma-Tru #1 – as the brand they use most.** It's a reputation built on more than 50 years of experience and technical know-how. Therma-Tru introduced the world to fiberglass doors and continues to make door systems that are held to high standards for quality and performance.

That's where the beauty of choosing Therma-Tru begins.

Door Selections

The beauty of a Therma-Tru® door is easy to see, no matter how you look at it. What makes our doors even more beautiful? Choice. A premium entryway that can truly express your style. Or the look and feel of real wood with excellent performance and value.

Both Classic-Craft and Fiber-Classic are rated a *Consumers Digest* Best Buy in the fiberglass entry doors category.

*Based on a nationwide survey of consumers' estimates of perceived home value based on exterior appearance. Not based on actual home sales. Results may vary based on region and home style. Therma-Tru's "National Home Valuation Study" was commissioned by Therma-Tru in 2015 and conducted by TNS, an independent provider of internet-based research. **Brand Use Study, 2017 *Builder* magazine.
Note: Finish colors may vary from an actual application due to fluctuations in finishing or printing. See your Therma-Tru seller or visit www.thermatru.com for details on limited warranties and exclusions, and ENERGY STAR qualified products.
